Dear Gary,

On behalf of the National Capital Chapter of the American Chamber of Commerce in Canada (AMCHAM Canada), I would like to thank Low Murchison Radnoff LLP for its financial support in respect of the inaugural AMCHAM & The Arts event held on October 25, 2011.

Your firm's sponsorship ensured that the event was a tremendous success and was most appreciated. With over 180 people from the Ottawa business and cultural communities in attendance, there is no doubt that this unique event will certainly be remembered for some time.

As you know we made every effort to ensure that the Low Murchison Radnoff brand was evident in the printed material and remarks. For your information we will also shortly be posting a narrative of the program and photos of the event on the AMCHAM website and Low Murchison Radnoff will again be recognized.

Once again thank you for your sponsorship of the event.

Yours very truly,

Rick Tachuk
Chair
AMCHAM Canada (National Capital Chapter)
